DELIVERIES TO THE REPUBLIC OF IRELAND

The Republic of Ireland is still in the European Union. Therefore, all pallets bound for delivery within the Republic of Ireland will require additional paperwork and support to be delivered. Irish Freight will be subject to the same import and

export rules, and customs clearance surcharges, as International freight.

Pall-Ex's MyNexus system makes it easy to book an International consignment. Simply complete all relevant fields and our Customs Broker will review your information before accepting your freight and marking it as 'customs cleared'.

SEA AND AIR OPTIONS

Our International team can also support with air and sea options, please email connect@palllex.co.uk or speak to you nearest member for more information.
