

Dedicated **Amazon Service**

Support your Amazon distribution with Synergix & Pall-Ex Group

Pall-Ex Group now proudly offers a dedicated Amazon service through its network of quality members. All inbound freight is consolidated at the Pall-Ex hub and delivered directly to all UK based Amazon Fulfilment Centres nationwide.

Through fixed delivery slots and a robust relationship with Amazon, all deliveries are scheduled with a guarantee of success.

The entire process is managed by a dedicated team at Pall-Ex's central facility in Leicestershire who ensure that each delivery is handled with precision and care throughout, providing a service with minimal risk of penalties.

Pall-Ex's central booking team will ensure each consignment is correctly booked and follow each delivery through to the end, supporting customer expectations with a seamless service from start to finish.

Synergix & Pall-Ex Group are proud to offer the following benefits in line with our service excellence strategies.

- ▶ A dedicated service thanks to daily fixed timeslots at all Amazon fulfilment centres.
- ▶ Improved delivery performance results in a more reliable and efficient service, fully supported by our teams.
- ▶ A new, dedicated central booking team to reduce administrative tasks for customers.
- ▶ Optimised transportation flow thanks to a robust consolidation service.
- ▶ Minimised risk of financial penalties.
